

A New Benefit for The Gardens at Heather Farm Members!

The Gardens at Heather Farm and the Pacific Horticultural Foundation are pleased to offer you an exciting new benefit.

Pacific Horticultural Foundation, the publisher of *Pacific Horticulture*, is pleased to offer The Gardens at Heather Farm members a 20% discount for a one-year subscription. You can subscribe for only \$22.00 per year!

Pacific Horticulture is the *only* quarterly publication written by and for gardeners and plant lovers in the West Coast states, from the Pacific Northwest to Southern California.

Pacific Horticulture offers solid information based on the experience of writers who are, first and foremost, gardeners. Experienced gardeners and trained horticulturists throughout the West Coast region contribute to the magazine because they love it.

Superb color photography is a hallmark of *Pacific Horticulture*, along with in-depth book reviews of value to West Coast gardeners, scientific reports, a regional garden events calendar, and limited, but select, advertising for the garden enthusiast.

Pacific Horticulture is a 72-page full color magazine for the growing community of readers passionate about growing plants and creating gardens. We're all about gardening and we're understood by beginners, enjoyed by experts, and appreciated by professionals.

Pacific Horticulture is published by the Pacific Horticultural Foundation, a nonprofit 501(c)(3) organization dedicated to stimulating and inspiring gardeners in the art and science of horticulture on the West Coast through quality publications, educational symposia, and a garden tour program.
